

FEATURED ITEMS IN COOLING

AFCO Radiator

100% welded aluminum radiators with two 1" thick cores for efficient and effective cooling. Also available in show-quality full polish finish. Available for '32-'49 Fords, '53-'56 Ford trucks, '37-'57 Chevy/GMC cars and trucks, and many other street rod and muscle car applications, most with bolt-in fit. Please call for more details and available applications.

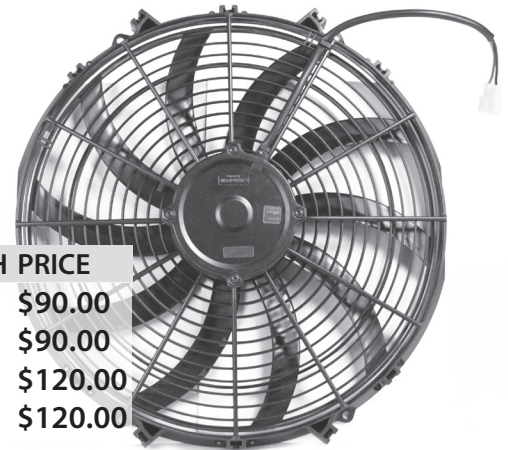

Starting at \$440.00 (Hot Rod)
Starting at \$400.00 (Muscle Car)

Cooling

Maradyne Fan

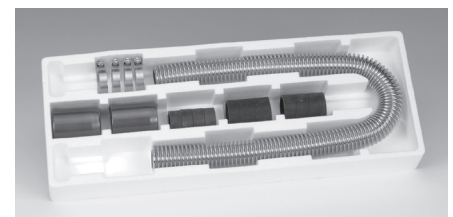

High performance reversible electric fans with heavy duty motors, low profile design, and S-blades for reduced noise output. Includes rubber spacers and locking pigtail connector.

| PART # | SIZE | CFM | WATTS | DEPTH | PRICE |
|---------|------|------|-------|-------|----------|
| MAR113K | 11" | 1100 | 130 | 2.48" | \$90.00 |
| MAR123K | 12" | 1155 | 130 | 2.48" | \$90.00 |

**Arrow Thermal Products
Aluminum Radiator**

Fully welded aluminum radiators with two 1" cores, custom made to replicate your original. When ordering, you must provide your original radiator for use as a template. The radiator can be modified according to your specifications. An added transcooler as well as fan and condenser mounting are available. Please allow 4 weeks for a custom build. Call for additional information and details.

Typical Pricing:

| | |
|-------------------|--------------|
| Plain Radiator | \$450.00 |
| With Transcooler | \$500.00 |
| Additional Mounts | \$35.00/each |

Transcooler

Dual pass for maximum efficiency. Finned with natural aluminum finish. Comes with two 1/4" fittings.

| | | |
|------|-----------------|---------|
| TC12 | 12" Transcooler | \$60.00 |
| TC18 | 18" Transcooler | \$65.00 |

Walker Radiator

America's #1 Street Rod radiator. Simple bolt-on application. Solid copper & brass construction in black powder-coated finish with specially designed fins for maximum cooling efficiency. Available in 3-core Cobra Standard Series (for basic small block stock applications only) and 4-Core Cobra Z Series (for heavy duty applications). All radiators come with built-in transcoolers and are available with or without an A/C condenser. Available for Street Rods from 1917-1957. Please call for specific quotes and details.

Starting at \$550.00

Vintage Radiator Mounting Kit

Stainless steel kit mounts radiator to frame. For '28-'48 Fords.

| | |
|------------|---------|
| VINRMK2848 | \$10.00 |
|------------|---------|

Radiator Tank

Polished stainless steel overflow tank with twist in cap. Includes mounting bracket & hardware. Tank measures 3" x 10" with 34oz capacity.

RPCRT \$50.00

Vintage Radiator Tanks

Polished stainless steel overflow tank with polished aluminum cap. Includes mounting brackets and hardware. Four sizes available (from tank bottom to cap top): 13", 15", 17", 19".

VINROT \$55.00

Vintage Radiator Support Rods and Thread Covers

Polished stainless steel rods and mounting nuts.

| | | |
|------------|----------------------|--------------|
| VINRSR2831 | '28-'31 Ford 26" | \$25.00/pair |
| VINRSR3239 | '32-'39 Ford 31-1/2" | \$25.00/pair |
| SRC2839 | '28-'39 covers | \$24.00/set |

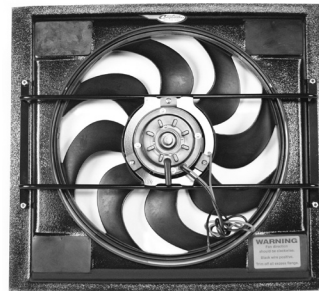

Vintage Support Rod Brackets

Polished stainless steel with threaded rivets for easy installation. For Ford applications.

| | | |
|-----------|-----------------|--------------|
| VINSB2832 | '28-'32 Cars | \$12.00/pair |
| | '32-'34 Pickups | |
| VINSB3339 | '33-'39 Cars | \$20.00/pair |

Cooling Components Fan and Shroud

Electric fan in poly trim-to-fit shroud provides high air flow in compact convenient design with 2700 CFM. Call for specific size recommendations based on your radiator.

| | | |
|--------|---------------|----------|
| CC1-40 | 19" H x 25" W | \$225.00 |
| CC1-50 | 18" H x 20" W | \$225.00 |
| CC1-70 | 18" H x 21" W | \$225.00 |

SPAL Dual Fan and Shroud

Dual 11" electric fans in a shroud. Yields 2780 CM and measures 23.5" L x 16.25" W (outer measurement of shroud). Available in pullers only.

SPALFD \$295.00

Cooling

SPAL Fan

SPAL performance electric cooling fans yield maximum air-flow output with fully sealed motors. Please specify push or pull when ordering.

| GRADE | SIZE | BLADE | CFM | PRICE |
|--------|------|----------|------|----------|
| Mid-LP | 11" | Straight | 970 | \$120.00 |
| High | 13" | Curved | 1710 | \$145.00 |
| High | 16" | Straight | 2360 | \$145.00 |
| High | 16" | Curved | 1995 | \$145.00 |

Ron Francis Wiring Stand-Alone Covering Fan Systems

All kits include 30 amp fuses, high quality relays, and top quality wiring. All units have highly reliable thermostats. A/C request option turns on the fan when the A/C compressor is engaged. Sensors have 3/8" pipe thread.

| | | |
|----------|------------------------------------|---------|
| RFWAR-23 | w/ AC request, On 176° / Off 161° | \$82.95 |
| RFWAR-24 | w/ AC request, On 200° / Off 185° | \$82.95 |
| RFWAR-29 | w/o AC request, On 176° / Off 161° | \$66.95 |
| RFWAR-30 | w/o AC request, On 200° / Off 185° | \$66.95 |
| RFWAR-77 | Dual Fan, On 176° / Off 161° | \$86.95 |
| RFWAR-78 | Dual Fan, On 200° / Off 185° | \$86.95 |
| RFWAR-15 | Add A/C request to -77 and -78 | \$31.95 |

Cooling Fan Sensors

Sensors have 3/8" pipe thread and come with wire lead and correct connector. Requires the use of a relay. S185/195 are sensor only.

| | | |
|----------|--------------------|---------|
| RFWAR-33 | On 176° / Off 161° | \$41.95 |
| RFWAR-34 | On 200° / Off 185° | \$41.95 |
| S185 | On 185° / Off 170° | \$25.00 |
| S195 | On 195° / Off 180° | \$25.00 |

Dakota Digital Programmable Fan Controller

Designed for using an electric fan with either single or dual fan configurations. Fully programmable, this control

will work with your existing water temp gauge and temperature sending unit. A dedicated sending unit (sold separately) can be installed for applications without a water temp gauge.

| | |
|------------|---------------------------|
| DDPAC-2000 | \$99.95 |
| DDRLY-1 | for dual fan apps. \$7.00 |

Ron Francis Wiring Icebox

Adjustable to your preference between 140° and 230° for on and off temps. Reads engine temp through a thermo coupler. Activates fan when the compressor engages.

| | |
|----------|----------|
| RFWAR-76 | \$114.95 |
|----------|----------|

Adjustable Thermostat

This mechanical thermostat is adjustable from 32° up to 240° F. Kit includes wire, connectors, mounting bracket, and all hardware.

| | |
|--------|---------|
| TBI83T | \$25.00 |
|--------|---------|

Billet Specialties Radiator Hose Ends

Mirror polish finish billet aluminum.

| | | |
|---------|--------------------------|---------|
| BS67825 | 1-1/2" Radiator Hose End | \$17.95 |
| BS67925 | 1-3/4" Radiator Hose End | \$17.95 |

Billet Specialties Thermostat Housings

Polished billet aluminum with a mirror finish. Dual Buna N® O-rings for a positive seal eliminating the need for a gasket or sealant, swivels for proper hose angle, and stainless steel mounting hardware is included.

| PART # | MAKE | ANGLE | ENGINE | PRICE |
|---------|----------|-------------|-------------------------------------|---------|
| BS90120 | Chevy | Straight Up | Big/Small Block | \$34.95 |
| BS90220 | Chevy | 0-degree | Big/Small Block | \$69.95 |
| BS90320 | Chevy | 15-degree | Big/Small Block | \$69.95 |
| BS90420 | Chevy | 45-degree | Big/Small Block | \$69.95 |
| BS90620 | Ford | 0-degree | Small Block | \$94.95 |
| BS90720 | Ford | 0-degree | Big Block | \$99.95 |
| BS90725 | Ford | 15-degree | Big Block | \$99.95 |
| BS90730 | Ford | 0-degree | FE | \$99.95 |
| BS90820 | Chrysler | Straight Up | Big/Small Block, and HEMI to '78 | \$44.95 |

Vintage Ford

Radiator Caps

Die cast and chrome plated with solid brass installed mounting hardware.

| | |
|---------|---------|
| For '32 | \$20.00 |
| For '33 | \$20.00 |
| For '34 | \$20.00 |

Billet Specialties Radiator Caps

2.5" diameter, polished billet aluminum. The billet top and radiator cap come unassembled to allow for proper positioning of the logo.

| PART # | STYLE | APP. | PRICE |
|---------|--------|--------|---------|
| BS75120 | Plain | 16 lb. | \$19.95 |
| BS76120 | Plain | 7 lb. | \$19.95 |
| BS75220 | Circle | 16 lb. | \$19.95 |
| BS75320 | Bowtie | 16 lb. | \$19.95 |
| BS76320 | Bowtie | 7 lb. | \$19.95 |
| BS75420 | V8 | 16 lb. | \$19.95 |
| BS76420 | V8 | 7 lb. | \$19.95 |
| BS75820 | Flame | 16 lb. | \$19.95 |

Racing Power Company Thermostat Housings

Made of chromed aluminum. Fits small block and big block Chevy. O-ring style with swivel necks.

| | | |
|---------|-----|---------|
| RPCTH15 | 15° | \$30.00 |
| RPCTH45 | 45° | \$30.00 |
| RPCTH90 | 90° | \$30.00 |

Tuff Stuff Chrome Water Pump

Available in short or long applications for small block and big block engines.

| | |
|----------|----------|
| SB Short | \$115.00 |
| SB Long | \$135.00 |
| BB Short | \$145.00 |
| BB Long | \$145.00 |
